

"Ten AttaTechies"

Perspicaciousness

A Genuine Noble Prize

One AttaBoy is a pat on the back,
"Good Job."
Ten Attaboys is High Praise,
"Well Done!"

Santa Rosa Tech Center Team, Technology-Wranglers, Visionaries, Heroes

For Your Audacious Technical Achievements, You are hereby awarded "TEN ATTA-TECHIES."
This qualifies Your Team to enjoy the Satisfaction of being Intrepid Thought Leaders and Role Models of Astute Technological Innovators, in the Grand Tradition of HP R&D Legends of the 20th Century, with Indomitable Insight for Micro-Miniaturization of Signals on Sapphire. It certifies Your Energetic & Perspicacious Contributions to the Colossal Task of combining diodes, MW transistors, GaAs ICs, SAWs, YIGs, Filters, Couplers, to build Entire Sub-systems in Small Modules. It applauds Your Team's Awesome Personal Initiative, Curiosity, Resolute Spirit, and Sense of Tech History, and merging That with Measurement Breakthroughs in Network and Signal Analysis.

Award: A Profound Contribution to HP Santa Rosa Instrumentation Dominance
